

Bride

G /F#
Who is this that I see, this bride in front of me
Em C

Her body bruised and worn, her dress is tattered and torn
G /F#
And as the groom appears his eyes well with tears
Em C

And then she bows her head, I hear the words he says

G D Am
I thought you said you love me, I thought I heard you saying
Cm G

I thought I heard you sing that you're dying for this day?
D Am

And though you know I love you, it doesn't mean I don't bruise
Cm G
It doesn't mean that you won't see tears

G /F#
And I can see him now among his closest friends
Em C

"In just a little while I will return" he says

G /F#
So when that day appears, when he finally comes
Em C

Will I hear again the words I heard that day

G D Am
I thought that you were waiting, looking out and praying
Cm G

But now I find you here, dreaming and asleep
D Am

And though you know I love you, it doesn't mean I don't bruise
Cm G
It doesn't mean you won't see my tears

Em Bm/D
So give me eyes, eyes for you only
Am/C G/B

A heart, a heart to be holy

Am G/B C (D) (E^b F G)

A passion for your name and a love for man

G D Am
I don't want to be sleeping, unprepared & day-dreaming
Cm G

I don't want to be found missing when you come
D Am

For though you know I love you, it doesn't mean I'm like you
Cm G

It doesn't mean I don't need your love
