

Crush

A^b Fm
Was it a crush? Love unrequited?

E^b D^b
Did it exist all in my head

A^b Fm
How will I know if she never speaks

E^b D^b
Lying somewhere inside of me

A^b E^b/G Fm
It is what it is & it was what it was - I couldn't have lost what I never had

D^b
So why am I smiling and what are these tears rolling down my cheek

A^b E^b/G Fm
Tomorrow will be & the sun will appear and maybe the rain will wash away the tears

D^b
And maybe a dreamer will awake to a brighter day

A^b Fm
Lying awake thinking of you

E^b D^b
Saying your name under my breath

A^b Fm E^b D^b
Funny how I quickly forget all that you said, all that you said

A^b E^b/G
A day of hope & of promises, a day of truth & a day of grace

Fm D^b
A day when loving overwhelms and all our suffering ends

A^b
A day that comes when the Son appears

E^b/G
A day when rain will wash away the fear

Fm D^b
A day when dreamers will awake to a brighter day
