

Overflowing Love

G /F# Em /B C D
Have you gone away or is it me again?
G /F# Em C D
I thought that just for once it might be you
C D G /F# Em
Every time I think you've gone I turn around & there you are
C D G /F# Em
Like playing on a merry-go-round

G /F# Em /B C D
Are you mad at me or don't you get that way?
G /F# Em C D
I guess that you'd have every right to be
C D G /F# Em
Now and then I wander off, I don't hate you, it's just because
C D G /F# Em
And there's so much to do, wish you were here

D₇ G D G
Come light a fire in me & come stir desire
B/F# C G/B D
I'm wasting away won't you save me, won't you take me by the hand
D₇ G D G
Come start a flood in me, come rushing up
B/F# C G/B D C
Till I am drowning, pulled right under by the current of your overflowing love

G /F# Em /B C D
There I go again you'd think that I would learn
G /F# Em C D
Letting you get out of sight ahead
C D G /F# Em
Sometimes I just take a rest when I've grown tired & out of breath
C D G /F# Em
And I'm left chasing shadows after you

B/F# Em Am D
Your love is so hard to find
B/F# Em Am D
Your love shows up just in time
B/F# Em Am D
Your love; am I playing hide-and-seek with you?

C D G /F# Em
Count to ten, spin around, where are you, I'm falling down
C D
Show yourself, don't leave me
