Tears In Your Eyes

F Bb C F C/E
Were there tears in your eyes as the baby lay sleeping
Dm Bb C
Were there tears in your eyes as the shepherds made haste

F Bb C F C/E
If you're outside of time did you feel every nail strike
Dm Bb C
Were there tears in your eyes on that beautiful day

Bb C F /E Dm /C
Did our joy rent your heart clean in two pieces
Bb C F
And at every gift did you count the cost
Bb C F /E Dm G/B
The baby boy is our ram caught in the thicket
Bb C F
I'm wondering now were there tears in your eyes

F Bb C F C/E
Were there stripes on your back when you lay in that stable
Dm Bb C
And when you took your first step was our blood on your hands

F Bb C F C/E
Did you feel the crown when you stepped out of heaven
Dm Bb C
And opened your eyes on these temporal shores
